

Innovation Team

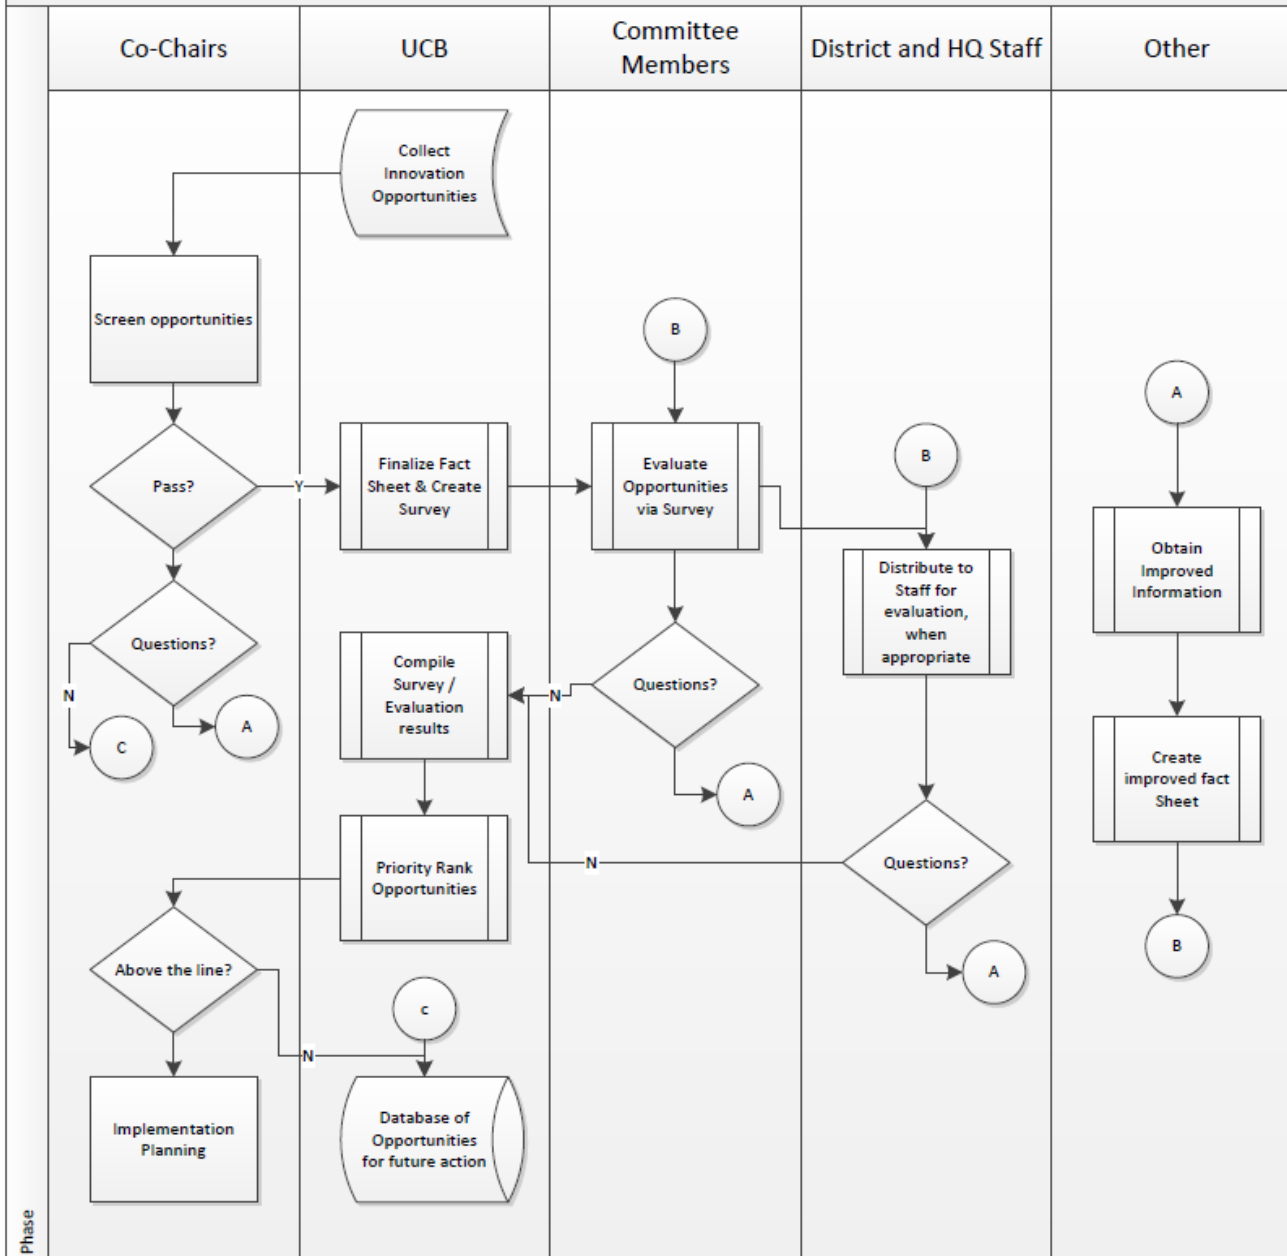

Internal District Innovations

- Co-Chairs to pre-screen opportunities based upon the following criteria:
 - Safety and/or System Performance?
 - Broad applicability?
 - Significant benefit?
 - Level of development/deployment?
- Develop fact sheet for pre-screened innovations
 - Innovation specifics from district
 - Review of similar products/activities
 - Estimation of costs/benefits
- Selection Subcommittee to select and prioritize projects for consideration
 - Choose participants of Selection Subcommittee
 - Adopt criteria for final selection and prioritization
 - Project selection and prioritization
 - Process for soliciting district interest
 - Process for identifying support resources
- Co-Chairs ratify recommendations

Internal District Innovations Selection Schedule

- Choose Selection Subcommittee members (8/26)
- Selection Subcommittee to adopt selection and prioritization criteria (9/26)
- Co-Chairs to pre-screen current list of innovations (9/5)
- Fact sheet development for pre-screened projects (10/3)
- Subcommittee to select and prioritize (10/17)

I-Team Opportunity Evaluation Process

CO-Chair Screening Criteria

1. Is there sufficient information for a Complete Fact Sheet?
2. Is this opportunity substantial enough for I-Team support?

Fact Sheet

1. Innovation Description
2. Implementation Ready?
3. Implementation Period Required?
4. Evaluation Completed, results?
5. Supplier available?
6. Risks Quantified?
7. Costs and Benefits quantified?
